## Give Power to Your Dreams

Welcome to Torrance! Honda is proud to host you for this 24th annual national championship. As one of the Great 48, you and your team have already excelled. Your school, the volunteers and Honda associates are all proud of you.

This year, Honda has launched an even more concerted effort to extend its support of our HBCUs. On Monday afternoon, an expanded Honda Career Fair will allow HCASC players to explore the varied career and internship opportunities available at Honda facilities around the country. Eleven business units have representatives coming specifically to meet you! Register today at [hcasc.com/hondacareers.asp](http://hcasc.com/hondacareers.asp) to take advantage of this unique opportunity.

Also on Monday, the Honda Research and Development Center will host a special tour. You will experience some of the innovative technologies Honda is developing in areas that will affect your life. This presentation will demonstrate our philosophy of the Power of Dreams.

The stage is set for another amazing national championship. Today, relax and enjoy your time in the Golden State. Meet your fellow competitors and build your network of "friends for life."

Sincerely,

Stephan Morikawa  
Assistant Vice President, Corporate Community Relations
