Congratulations to the Honda Campus All-Star Challenge Class of 2014. On behalf of all of us at Honda, it was our pleasure to welcome the competition to our Torrance campus for this 25th Annual National Championship.

For Honda, “The Power of Dreams” is our guiding philosophy. It was inspired by the vision of our founder, Soichiro Honda. It drives our innovation, creativity and desire to bring value to society. Honda Campus All-Star Challenge embodies our belief in the importance of education and our HBCUs.

We hope that the memories, and especially the friendships you have made, will endure throughout your lifetime. On behalf of Honda, thank you for your participation in this wonderful event. Enjoy this yearbook and please accept Honda’s wishes for continued success in the near future and beyond!

A handwritten signature in black ink that reads "Steve Morikawa". The signature is fluid and cursive.

HONDA The Power of Dreams

CELEBRATING 25 YEARS

In 1989, Honda joined with the College Bowl Company to establish the Honda Campus All-Star Challenge (HCASC) to support the unique mission of America's Historically Black Colleges and Universities (HBCUs). Honda's commitment to HBCUs and their communities demonstrates the belief that success is not measured only in the cars they produce, but in the lives they enhance.

HCASC is much more than a game of quick recall. Players learn to respect and celebrate each individual's contributions to the goals of their team. With teamwork and discipline, players learn the value of pursuing knowledge for its own sake.

HCASC participants contribute thousands of hours of service within their local communities for HBCU-initiated projects. Through these

HCASC is the first ever academic competition of its kind...

projects, participants embody the commitment to the community that is core to the HCASC mission and serve as positive role models for the next generation of HBCU students

Nearly 100,000 HBCU students have participated in Honda Campus All-Star Challenge. HCASC alumni travel the world to pursue careers in science, medicine, media, aeronautics, education, industry, government and more. Program alumni give back to their alma mater and HCASC by supporting campus activities, mentoring students and stepping up as ambassadors of the Friends for Life philosophy.

25 years, later, as the first-ever academic competition of its kind, HCASC stands as an example of how Honda creates mutually beneficial relationships with the communities where they explore the Power of Dreams.

TRUE LEADERS CREATE MORE LEADERS.

For 25 years, Honda has supported the brightest students of the HBCU community through the Honda Campus All-Star Challenge, a year-long academic competition for students from Historically Black Colleges and Universities. The competition is spirited and intense, but the friendships formed are long-lasting. We believe the world doesn't need more followers, but more leaders. Congratulations to all the 2014 participants – we salute you! To learn more, please visit www.honda.com/allstar.

**HONDA
CAMPUS
ALL-STAR
CHALLENGE**
CELEBRATING 25 YEARS
1990 2014

Participants from Texas Southern, South Carolina State, Rust College, Tuskegee, Florida A&M, Jackson State and Benedict

From the first year in Washington, DC to Los Angeles, Orlando and beyond, Honda Campus All-Star Challenge has created memories for generations of players, coaches, faculty and staff at our HBCUs. Exciting games; fun activities; learning, sharing and growing with Friends for Life... all of these elements are hallmarks of a program that brings out the best in the amazing folks who have become part of the HCASC family.
