**Days of competition, months of preparation,
a lifetime of friendships.**

Honda congratulates the finalists of the 2012 Honda Campus All-Star Challenge. This year, the competition brought together 48 teams of the top students from America's Historically Black Colleges and Universities for an HBCU National Championship of the highest academic level. For the past 23 years, Honda has supported this program with the goal of promoting leadership, diversity and academic excellence. Since its inception, Honda has awarded over \$6 million to participating schools and over \$300,000 annually in grants. Perhaps even more valuable than these contributions are the memories shared and friendships formed that these bright young leaders will take with them as they go on to build successful careers.
